Dear Ms. Barlow:

In a recent letter about the categorical exclusion for Section B of the Crystal City/Potomac Yard transit way, Federal Transit Administration representatives requested that the City of Alexandria prepare a health and safety plan to address construction, especially because of the proximity of the project to the former Potomac Yard. Consistent with your request, the City Alexandria will ensure that a health and safety plan is submitted to the Federal Transit Administration.

Thank you for your continued support.

Sincerely,

  
Richard J. Baier, P.E., LEED AP  
Director
